Dear Family & Friends,
 2006 was a wonderful year for our family. Juliana grew from 1 ½ to 2 ½ years old, surprising us each day with her cute toddler demeanor and zeal to learn about the world around her. We've been busily settling into our new home in Tempe since February. In August and September, Jeni enjoyed a well-deserved two-month "sabbatical" from her job as a Technical Marketing Engineering Manager at Intel. Steve continues to enjoy his dual roles as stay-at-home Dad and Technology Consultant for his business, panhorst.net LLC.
 2007 will be another year full of opportunities for memory-making! We hope yours is the same.
*Love,
 Steve, Jeni, & Juliana*
